

Congressman Childers' Statement on Budget Vote

April 3, 2009

Washington, DC - Congressman Travis Childers (D-MS) issued the following statement regarding his vote yesterday on the Budget:

"It is time for our government to restore fiscal discipline and return to responsible spending. While I commend the Budget's plan to significantly reduce the deficit, provide a tax cut for hard working Americans, and implement action on reinstating statutory PAYGO requirements, the overall spending contained in the bill was still too high. I look forward to continuing to work with the administration and my colleagues on both sides of the aisle towards a fiscally responsible agenda."
